To Our Current and Future Plan Holders,

Carter Plantation is proud to present our new Play Pass and Social Membership options for the 2024 season. We are offering new plans and updating our course rules this year to enhance your experience at Carter Plantation. Two examples include moving to a 9 minute tee time interval vs. our previous 8 minute interval to improve pace of play, and limiting the amount of tournaments hosted at Carter Plantation.

Please note that the attached Play Pass pricing is only available if your contract is executed before January 31st 2024, as we put the finishing touches on our upcoming plans.

If you currently have a house account with a remaining balance, we ask that you bring your account to a resolve prior to the new year. If your balance is too large to settle in one payment, please contact us at memberships@carterplantation.com.

Bring a printed and completed membership packet to our Pro Shop before December 23rd, and have a draft beer, house wine or soft drink on us as a thank you!

On behalf of Carter Plantation, we look forward to the new year and future enhancements here at the Golf Course. We appreciate your continued support, and we are ready for another incredible year with you!

Best Regards,

Bobby Waters, Owner
